

Dear Member

The first in a line of amendments to the AARTO Legislation have been published for comment. The Government Gazette has been uploaded onto the RFA website. The Department of Transport has allowed 30 days for comment on the proposed amendment Bill.

This is NOT the implementation of AARTO.

Comments must reach Gavin Kelly before 15 March 2013 so that the Association can table comments to the Department of Transport on your behalf by 20 March 2013.

Kind Regards

Regards
