Dear Transport Sector Stakeholder

Re: Invitation to TETA 2019/20 Sector Skills Plan Feedback and Green Economy research findings presentation

Firstly, we want to take the opportunity to express our sincere gratitude for the unreserved support you have provided TETA during the data collection phase for SSP annual update which took place in April and May 2018. Your valued contributions have resulted in a successful completion of TETA 2019/20 SSP update.

We wish to invite you to a feedback session to share with you our consolidated findings on processes and a content of 2019/20 SSP update. During these feedback sessions we will also have an opportunity to present and discuss the following items;

- Green Economy research findings (Study Commissioned by TETA)
- To share the Hard –to- Fill vacancy list and PIVOTAL List with industry
- Sharing TETA Research Agenda Strategy
- Ways of improving future engagements

Kindly accept this meeting request and, as always, we look forward to receiving you.

The details of the upcoming workshops are as follows:
