VIRTUAL SECTOR SKILLS PLAN CONSULTATIVE

Workshop

TETA invites you to its SSP Stakeholder Consultative Workshop, as part of a process of updating the Sector Skills Plan (SSP). The process will influence skills priorities that TETA will fund as part of the SETA's implementation of the National Skills Development Plan.

As a valued stakeholder you are invited to attend TETA Virtual SSP consultative workshop. Your attendance and input into the workshops will be highly valued.

WHO SHOULD ATTEND?

Transport economist, Skills Development and Human Resources Practitioners, Industry experts, Policy Makers, Employers (Big & Small), Employer Associations, Training Providers, Academics, Researchers, Learners, Unions etc.

WORKSHOP THEMES:

Economic and labour market outlook, Big trends affecting the transport industry and associated occupational patterns/skills, Fourth Industrial Revolution - South Africa's readiness, Extent and nature of skills needs, Skills required for the future etc.
