QA Quality Assurance Roadshows

TETA invites all stakeholders to attend the Quality Assurance roadshow planned to discuss the transitional arrangements as we move from legacy qualifications to occupational qualifications.

Topics to be discussed includes:

- Expiry of legacy qualifications
- Developed occupational qualifications
- Implementation of occupational qualifications
- Accreditation of legacy qualifications and occupational qualifications.

The roadshow will be held as per the schedule below. Confirmation of attendance is compulsory and it should be submitted as per RSVP form provided on or before the 9 September 2022. Venues for the roadshow will be confirmed, space is limited to 1 delegate per company.
